Welcome Back to School!

We are so glad to see you all and especially to welcome all of our new families!

This is the first issue of our monthly newsletter. We have streamlined our communication so that you are more easily kept fully informed. You will receive this **monthly newsletter** toward the end of each month. For more immediate communication, we will be sending **email blasts by single subject**. You have already received some of those this summer. Your most important form of communication will be the **teachers' classroom newsletters**. All of these forms of communication will be posted on our school website for your easy access and reference. Please make sure to also utilize our **email** addresses for the quickest and most reliable communication method.

Please add "@zlcs.org" to your email address book to ensure that you receive our emails.

Again, we're so glad you are back. Please contact us whenever you need help!

In God's service to you and your family,

Mrs. Woods
