Studies Quiz,
Social Studies
Book Due

10/21 - Memory
Tested, Library
Books Due

10/24 - Unit C
Science Test

10/26 - Unit 3
Social Studies
Test

Wow! What crazy weather we have had the last couple of weeks! We have had everything from cold and misty to very hot! That makes it hard to know how many layers of clothing to send! On the cooler days, be sure to send a sweater or sweatshirt with your child's name written somewhere easy to find!

In our Jesus Time this week we learned how Joshua became the new leader of the people of Israel, and how he trusted God. We discussed the fact that we are all leaders at different times and we are responsible to make good decisions and to trust in God, like Joshua did!

The end of our first quarter of school is just two weeks away. It's hard to believe we have almost completed a quarter of school already! Our schedule is a bit different this week, to help us review for our unit tests coming up next week. There will be no science quiz this week. Our social studies quiz will be Wednesday, so I will send the social studies book home on Tuesday night so you can study. Watch for study guides and books to go home next weekend, to help you review the science and social studies concepts that will be tested on the unit tests.

God's Blessings,

Miss Ellis
